## CITY PU COLLEGE BUILDING STRONG ACADEMIC FOUNDATIONS

City PU College, part of the renowned City College Jayanagar group, offers specialized Pre-University (PU) programs in Science and Commerce, designed to prepare students for higher education and professional careers. The Science stream includes PCMC and PCMB, catering to aspiring engineers, doctors, and IT professionals. The Commerce stream offers SEBA and CEBA, ideal for future business leaders and entrepreneurs. With a strong focus on academic excellence and holistic growth, City PU College is the perfect platform for students to excel in their chosen fields.

# OUR INTERNATIONAL ASSOCIATIONS

## MBA INTERNATIONAL IMMERSION PROGRAM IN MALAYSIA

DISCOVER | LEARN | EXPLORE

## GLOBAL LEARNING AND INTERNATIONAL EXCHANGE PROGRAMS

City College Jayanagar offers extensive international collaboration opportunities for both students and faculty through our robust exchange programs. Our MBA students benefit from these global partnerships by participating in international study programs and gaining exposure to diverse business practices and technological advancements. Each year students can attend international programs in Malaysia and other countries, where they can earn valuable certifications and broaden their understanding of the global business landscape. These experiences are designed to enrich their education, enhance their professional skills and prepare them to excel in an increasingly interconnected world. Join us at City College Jayanagar and take advantage of these unique opportunities to learn, explore and grow on an international stage.
